Exemption Data: The State of Texas allows for various exemptions that taxpayers may qualify for and application must be made thru the Appraisal District. Residents may apply for their Homestead and Over-65 or Disabled Person exemption for their primary residence. Application can be made on only one property in a tax year. A homestead may include up to a maximum of 20 acres of land utilized as residential. To qualify for a homestead exemption, you must own and reside in your home on January 1 of the tax year in which you are making application. The filing of this application is between January 1 and April 30 with a provision that allows a late filing deadline for the homestead exemption if you file it no later than two years after the date taxes become delinquent. The Over-65 or Disabled Person exemption for school taxes includes a school tax limitation, commonly referred to as "Tax Ceiling" or "Freeze". Some taxing units such as county and cities may also offer Over-65 or Disabled Person exemptions and tax ceilings limits. The filing of this application is between January 1 and April 30 with a provision that allows a late filing deadline for the Over-65 exemption if you file it no later than one year after the anniversary date of the qualifying birthday. You may transfer the accrued savings from your over-65 or Disabled person ceiling if you move, depending on where you relocate. The savings earned on the school tax can be transferred anywhere in Texas, and the savings from other entities can transfer within that entity.
